** Total Expected to Complete High School is a count of students who were expected to complete high school in the year indicated whether or not the students actually did. This total includes actual high school completers, cohort dropouts and noncompleters who reached the maximum age associated with the constitutional right to a free public education. The cohort dropouts may include students who completed 8th grade and were expected to go on to 9th grade but did not. The 8th grade school may not include grade 12.
