Greetings Lakewood Families and Community Members,

As preparations continue for the start of the 2017/2018 School Year, we want to take a moment to introduce you to some of our new staff members:

Mrs. Kim Baker - Front Office Secretary/Receptionist

I am very excited to be starting the new school year at Lakewood School. I have ten years of secretarial experience, with four of those years at an elementary school in Illinois. My proudest achievement, so far, was graduating from Carthage College with a BA in Elementary Education in 2014. Working with children has always been a passion of mine. I grew up in Montana and currently reside in Illinois. My husband and I have three children and two dogs. I enjoy traveling, riding our Harley, reading, and spending time with my family. I am looking forward to meeting the students, their families, and working with the exemplary staff at Lakewood.

Mrs. Lisa Stanton - Kindergarten

Hello my name is Lisa Stanton. I am thrilled to say I will be teaching Kindergarten this year at Lakewood School. I graduated from Viterbo College with a Bachelor's of Science in Early Childhood Education. I also received my Masters in Special Education from the University of Whitewater. I have taught 4K, Kindergarten and Second grade. I began my teaching career in Colorado with the Denver Public Schools. I moved back to Wisconsin and began teaching with the School District of Janesville and then Sharon Community School. I grew up in a suburb of Milwaukee and I am currently living in Delavan, Wisconsin with my husband, Bill, and son Danny. During my free time I like to be outdoors kayaking, swimming and biking. Spending time with my family and friends is also one of my favorite things to do. I am excited to have this wonderful opportunity to work with the students, families and staff at Lakewood School.

Miss Tylar Edenhofer - 2nd Grade

Hi everyone! My name is Tylar Edenhofer and I am the new 2nd grade teacher here at Lakewood. Here's some quick info to help you get to know me a bit more! I'm from Salem, I am the youngest of five girls (you can imagine that was crazy, but also fun, growing up!), I went to UW-Whitewater for education and have a minor in Spanish, I have a 15 year old dog named Phoebe, I am a huge Disney fan (hence my room decorations!), and I am currently training for my 2nd marathon! I am so excited to get to know all of these friendly faces at Lakewood and to really feel that family atmosphere that I have heard so much about. I can't wait to grow with all of you and see what the year has to bring!

Mrs. Marsha Farmer - 4th Grade

Hi, my name is Marsha Farmer and I am excited to join the Lakewood family this fall as a 4th grade teacher! I live in Spring Grove with my husband and three children: Emily (8th grade), Jake (6th grade), and Sophie (4th grade). I love camping with family and friends, reading a good book, and going on bike rides! I have had experience teaching 5th grade as well as 3rd grade, and I am looking forward to a year of learning and growing in 4th! I graduated from the University of IL with my Bachelor's in Elementary Education and I am finishing my Master's in Education from Northern IL University. I was fortunate to be able to spend January - June at Lakewood last school year, so I will be a familiar face to many of the students! I am looking forward to seeing them all again and working together for a great year!

Mrs. Chrissy Bagby - Music

Hello, my name is Chrissy Bagby and I am thrilled to be teaching at Lakewood! I graduated from UW-Whitewater in 2013 and have been teaching for 3 years. My husband, Ryan, and I have 2 dogs and just welcomed our first baby boy, Theo, in April. Lakewood has such a welcoming, family atmosphere, which really has me excited to become part of this community!

Mr. Collin Lennon - Physical Education

My name is Collin Lennon and I am one of the new Physical Education teachers this year. I am from Lake Zurich, IL and went to school at UW-Whitewater. The past two years I have student taught/worked at Williams Bay Elementary School as well as Badger High School. This year I am looking forward to enhancing physical activity for students and teachers. I do love getting to know people so please come up and say hi! Don't take it personal if I forget your names, just a lot of new faces.

Miss Molly Hlubek - Physical Education

Hi! My name is Molly Hlubek (pronounced Loo-Beck) and I am one of the new physical education teachers here at Lakewood. I was born and raised in Monroe, WI and just graduated from UW-Madison this past May. I am excited to begin my teaching career in Twin Lakes and I'm looking forward to educating students about fitness and wellness. I'm also looking forward to meeting and getting to know all of you! :)

We are looking forward to a very awesome 2017-2018 school year. We hope to see you at Open House on Thursday, August 31st from 6-7 pm.

Enjoy the last two weeks of summer.
